

2017

Lake Chelan Festival of Trees

*The **Lake Chelan Festival of Trees** is a new addition to the Historic Downtown Chelan Association's A Small Town Christmas Tree Lighting and holiday season. This is a **Silent Auction Fundraiser** to benefit the **Chelan Food Bank**.*

How it works:

Individuals, merchants, businesses, and organizations are all invited to participate in this very worthwhile event by donating decorated Christmas trees (themed trees are typically very popular) for the auction. Wreaths may also be decorated and donated for individuals or smaller groups, making it more feasible for more participation.

Intent to Participate forms can be mailed to the HDCA office or dropped off at the HDCA office or the Lake Chelan Chamber of Commerce by November 10th. Forms are available at the Chamber or at the HDCA office.

All trees and/or wreaths are requested to arrive at the Lake Chelan Chamber of Commerce by noon on Friday, November 17th. Trees may be decorated on site if necessary.

Silent Auction:

The trees and wreaths will be auctioned at the ***"Lake Chelan Festival of Trees"*** with the proceeds benefiting the **Chelan Food Bank**.

The trees and wreaths will be displayed at the *Lake Chelan Chamber of Commerce*. The silent auction is open to the general public.

Bids of trees and wreaths will be marketed to local and out of area individuals, and private and public businesses through print, radio, social media and posters.

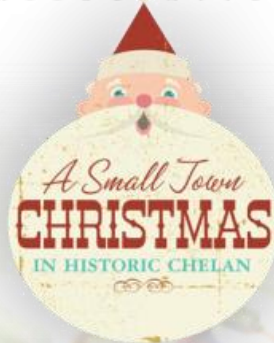

Trees and wreaths will be on display daily for silent auction bids until 5:00 pm, Friday, November 24th.

Winning bidders will be announced at the Christmas Tree Lighting the evening of November 24th.

Trees and wreaths may be picked up after the Christmas Tree Lighting or as arranged with the Lake Chelan Chamber of Commerce.

Working together as a community by supporting the Chelan Food Bank through the Lake Chelan Festival of Trees, we can all help make it a Merrier Christmas for those in need!
